

2025 Plan Crosswalks

Northern California

When Brand New Day and its sister company Central Health Medicare Plan were acquired by Molina Healthcare, the agreement allowed us to consolidate our California resources to offer a more comprehensive statewide delivery network and benefit improvement opportunities for our members. **For plan year 2025, Brand New Day will consolidate with Central Health Medicare Plan.**

Through this consolidation, members will be automatically crosswalked into a comparable plan for 2025, as outlined below. We have thoughtfully carried over our plan designs and programs to ensure our members encounter minimal disruption. They will continue to experience the same excellent service and care under the Central Health Medicare Plan name.
