Central Health Medicare Plan

To access the Central Health Medicare Plan Provider Online Directory, visit <https://centralhealthplan.com/> and click on the **Find Providers** dropdown. Select **2025 Provider Directory** to search for in-network CHP providers for 2025.

Central Health Medicare Plan

You will first see a pop-up window informing you that you are leaving the Central Health Medicare Plan site. Select **OK** to proceed. On the next screen, select **Continue** under the *Just Browsing* section to move forward.

Central Health Medicare Plan

Enter the area you would like to search for a provider and click **Continue**.
You will then be directed to the Provider Online Directory home screen to begin your search. Follow the remaining steps outlined for the POD search options. [Go to Modify Search section](#)

Modify Search: Plan/Program and Area

You can modify the selected “Plan/Program” and search area “City & State, County or Zip” at any time by adjusting the fields at the top of your search page. *Please note that all CHP options will appear as CHP Medicare.*

To update the location information, click on the existing entry to highlight it in blue, then start typing your details and choose the best match from the suggested list.

Search Options

When searching on the POD, there are three main methods to find a provider:

1. Search Bar
2. Common Searches
3. Browse By Category

The screenshot shows the top section of the Molina Healthcare POD interface. At the top, it says "Good Morning!" followed by "Browse or search to find the care you need." Below this are two dropdown menus: "Plan/Program" with "Molina Medicare Compl..." selected, and "City & State, County or Zip" with "Los Angeles, CA — 90..." selected. Below these is a large search bar with the placeholder text "Search for Care by Specialty, Name, NPI or Keyword" and a blue search button. Below the search bar are "Common Searches" with five dropdown menus: "Primary Care", "Behavioral/Mental Health", "Virtual Care", "Urgent Care Center", and "Hospitals". At the bottom is a "Browse by Category" section with three buttons: "Medical Care" with a medical bag icon, "Behavioral Health Including Mental Health and Substanc..." with a head icon, and "Labs, Imaging and Other Testing" with a microscope icon. Three orange callout bubbles with numbers 1, 2, and 3 point to the search bar, common searches, and browse by category sections respectively.

Good Morning!

Browse or search to find the care you need.

Search Options: Search Bar

The free-form search bar lets you search by Specialty, Name, NPI, or Keyword.
You can either select an item from the Auto Suggest list or press Enter to perform a full-text search.

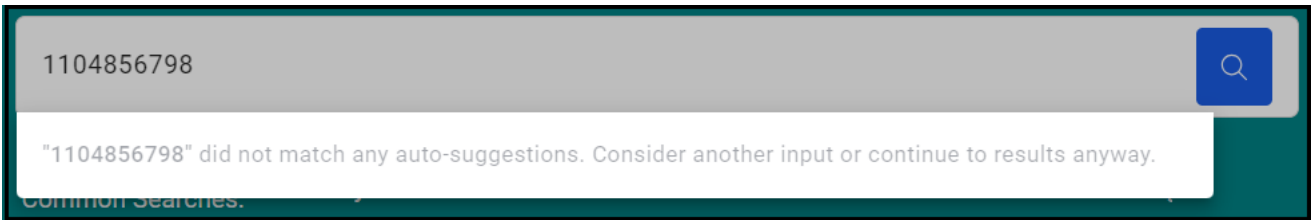

Specialty: Type the specialty name to see suggested entries to choose from, or press Enter to conduct a full-text search

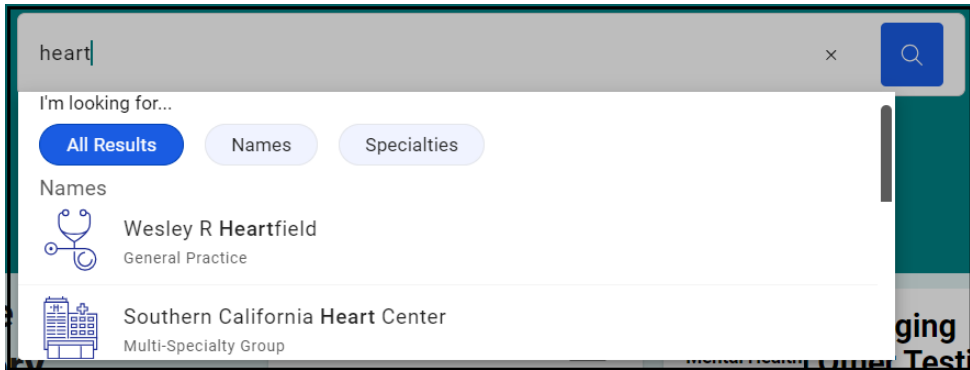

Name: You can perform a full or partial name search. If the full name is available, you can search using either the Last Name, First Name or a combination of First Name and Last Name.

NPI: Enter 10-digit number that uniquely identifies health care providers and entities. The system may not provide a suggested entry when searching by NPI, press Enter to perform search.

Keyword: You can enter a keyword, and matches will appear based on relevance. The display matches will include associated names and specialties.

Search Options: Common Searches

Common Searches allow you to quickly search based on the selected care category.

Good Morning!

Treats conditions and alleviates pain by pricking the skin or tissues with small needles.

Search Results: Provider Highlights

The search results page will display provider highlights, and there are a few key details to note:

1. If this provider is the beneficiary's requested primary care physician (PCP), ensure:
 - a) PCP identifier: Ensure there is a "PCP Pill" indicator by the physician's name. If not, the physician cannot be assigned as a PCP.
 - b) Accepting New Patients: If the beneficiary is not an existing patient, ensure the physician is listed as "Accepting New Patients"
2. NPI: Capture the PCP's NPI, as it is required for enrollment application.
3. View More Locations: If physician practices at multiple locations, a dropdown option will appear. You can toggle to a different location if needed by clicking on "View This Location"

The screenshot displays a provider profile for Gary T Lai, MD. The profile includes a stethoscope icon, the name "Gary T Lai, MD" with a "PCP" pill, and the title "Internal Medicine • Hospitalist". The NPI number "1245332220" is highlighted with an orange box and a callout stating "Required for PCP Assignment". The location is listed as "25 S Raymond Ave Ste 204, Alhambra, CA 91801" with a "Get directions" link. A "View More Locations" dropdown is highlighted with an orange box, showing an alternative location "25 S Raymond Ave Ste 110 Alhambra, CA 91801" and a "View This Location" link. The "Accepting New Patients" status is checked and highlighted with a callout stating "Required if prospect is new patient". Other elements include a "Compare" checkbox, a "View Profile" button, "4 Affiliations", and a "Log In for personalized results" link. The bottom shows a "Matched on: NAME" filter.

Search Results: Provider Profile

To see full physician details, click on “View Profile” to view additional information. The menu below shows the categories available within the profile. You can either scroll through the page to view all sections or click on a specific category to jump directly to those details.

Provider Highlights	Full Name, Location, Phone Number, Get Directions, Languages
Plans/Programs Accepted	Contracted Plans for provider/location
Specialties & Expertise	Specialties/Certifications & Areas of Expertise
Accreditations & Recognitions	Awards
Service Locations & Hours	Hours of Operation & Building Access details <i>"View More Locations" drop-down option.</i>
Affiliations	Medical Group & Hospital Affiliations
More About This Provider	Languages, Limitations, NPI

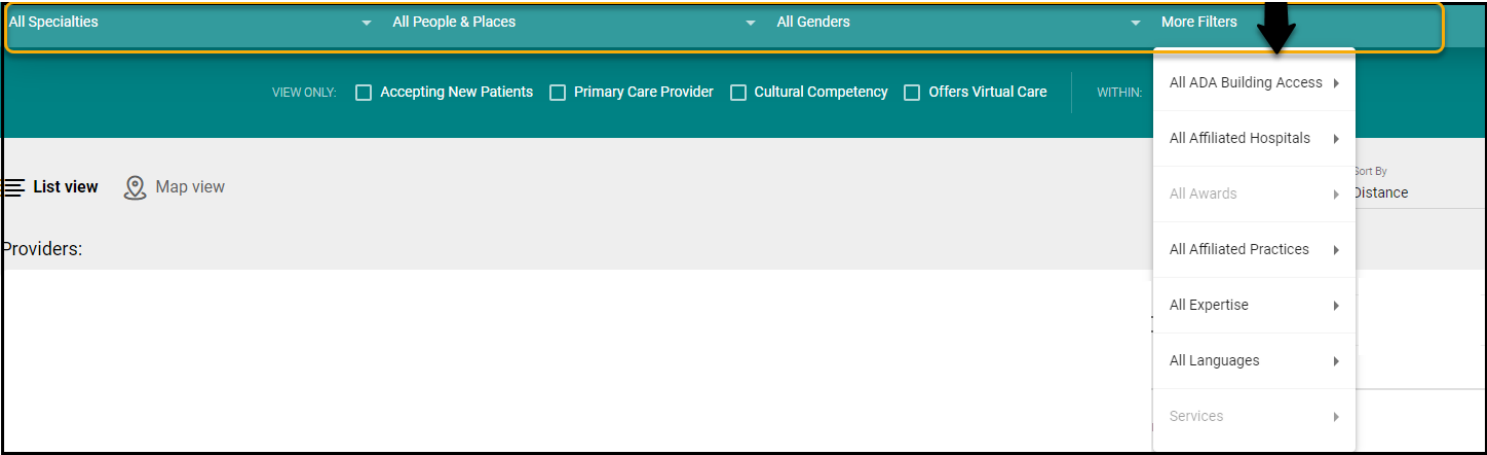

Please make sure that you View More Locations within the provider profile to verify if there is another entry for the same Service Location that may identify a different Medical Group/IPA affiliation.

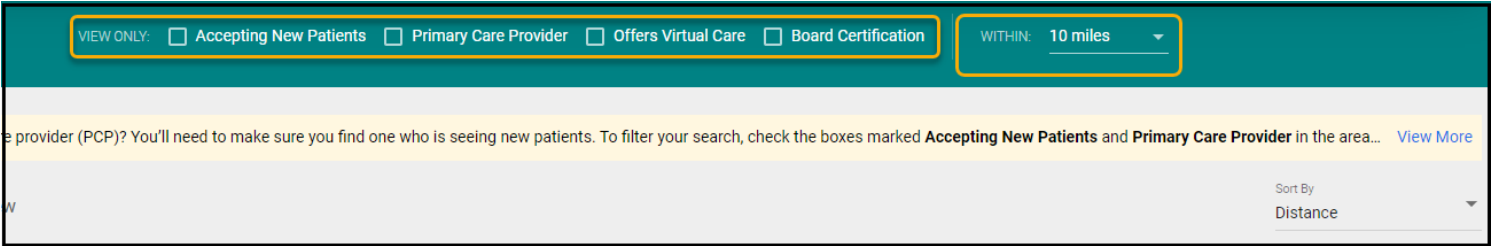

Search Results: Filters

When conducting a general search, you will have several filter options to refine your search results based on specific preferences.

Filter	Options
All Specialties	Refine search results by specialty type
All People & Places	People: Individual Physicians Places: Health/Medical Centers (FQHC)
All Genders	Male or Female Physicians
More Filters	Select drop down to view additional filters available <i>*All Affiliated Practices will display Medical Groups*</i>

View Only options allow you to refine search results with selected identifiers. Displayed search results will be within 10-mile radius by default, distance can be changed by selecting drop down and selecting proper radius.

Search Results: Share Options

At bottom of the search results page, you'll find options to share the results with the beneficiary:

Share: Send the results via email. The recipient will receive a link to same search results page; including all applied criteria and filters.

Download: Generate a PDF document of the search results which you can save and share
